### Wednesday Night Bible Study *Think Differently* by James MacDonald

If you repeatedly find yourself in places where you don't want to go, it's your thinking that's leading you there. In this study by James MacDonald, he identifies strongholds, examines how they came to be, and offers believers a biblical path toward repentance and the renewing of their minds. God offers our only hope for victory over disposition dysfunction, double-mindedness, and every other mental stronghold we often struggle with. With Him we can think differently. Join us for a time of friendship building, discussion around God's Word and prayer. We are meeting on Wednesday nights at 6:30 p.m. in Room 301. No charge—just show up!
