Ladies Night of Worship & Fall Preview

We invite you to join us on Friday, July 31 at 7 PM for an evening of worship focusing on our "RESPONSE". We find ourselves in various seasons, circumstances, and crossroads in life and we always respond. God's presence in all things should stir us. Come be encouraged & refreshed as we respond in worship to Him & hear more details about our fall study.

Youth Group Camping Trip

All teens including rising 6th graders are invited to join us for our Youth Group Camping Trip August 9-11. Please see Pastor Holden or Mr. Redmond for what to bring, or for more information. There are a lot of awesome things planned including good food and rafting, along with the camping, so the sooner you sign up the better! To sign up and find a few more details, visit the registration page on the Church Center App.

Outdoor Service

On August 23, we will gather for worship on the front lawn of the church under the trees at 10:30 AM. There will be no Core Classes held, so come prepared to worship and enjoy some relaxed fellowship together. We'll have a few more details about the morning as we get closer. After the service, we are planning a lunch including smoked meats, sides and dessert. There are several ways you can help. We need to have some of you who have some experience smoking meats to serve in cooking the meat. The church will purchase the meat. We also ask that each family provide fruit or dessert to share.

Women's Farmer's Market

On Saturday, August 29 we are having a farmer's market from 10 AM to noon. It will be set up more as a swap instead of a traditional farmer's market. Women that want to share items from their garden, homemade food, or other handmade items can bring them in & then go pick out some to bring home! For those who can't bring anything to the market, there will be an opportunity for you to pay for a ticket to be able to attend the event as well. Tickets will be sold in August, so for now the only thing to do is to mark the event down on your calendar. Those interested in being a Sharer, scan the QR Code to get more information!
